

This architectural floor plan depicts a building layout. A central horizontal corridor, highlighted in light green, runs through the middle of the structure. Above this corridor, there are three main sections, each containing several rooms with light green walls and red-brown borders. The leftmost section includes a small room with a desk and chair. The middle section features a larger room with a desk and chair, and a smaller room with a desk and chair. The rightmost section contains a room with a desk and chair. Below the central corridor, there is a large, open area with a light green floor. To the right of this area, there is a staircase with a grey railing and a small room with a desk and chair. The bottom of the plan shows a large, open area with a grey hatched floor. The top of the plan shows a series of vertical lines, possibly representing a wall or a boundary. The overall layout is symmetrical and organized.

This architectural floor plan depicts a large, rectangular hall, likely a gymnasium or multi-purpose room. The hall is characterized by a high ceiling and a large open space. On the right side, there is a staircase and an entrance area. The staircase is enclosed within a small room, and the entrance area features a set of double doors. The plan also shows various structural elements such as walls, columns, and a central corridor. The overall layout is symmetrical, with the main hall occupying the majority of the space.

This architectural floor plan depicts a large, rectangular hall, likely a gymnasium or multi-purpose room. The main area is defined by a dense grid of 24 columns and 12 rows, creating a series of rectangular bays. The walls are thick and textured, suggesting concrete or masonry construction. On the right side of the plan, there is a service area containing a staircase, restrooms, and a small kitchen or break area. The entrance is located on the left side, with a set of stairs leading up to the main floor. The overall layout is functional and spacious, designed for large-scale activities.
