

The image displays a technical architectural drawing. The upper portion features a large, irregular shape defined by a dashed line, with a prominent semi-circular arc on its top edge. This shape is positioned above a horizontal dashed line. Below this, a more complex floor plan is shown. It includes a large rectangular area on the left, a smaller rectangular room in the center, and a larger room on the right. The rightmost room contains a door with a handle, a window with a cross-hatch pattern, and a rectangular object that appears to be a desk or table. Various small squares and lines indicate structural details and furniture placement.
